Subject:- Additional points for internship cases in Placement Policy

A few companies are offering six months internships to the students where the final PPO is performance based. A meeting of the faculty members of training and placement centre was held to discuss the eligibility of such students to participate in the placement process of other companies. After deliberations and discussion with placement representatives, the committee proposes the following eligibility matrix.

Offer (Below Dream category)	Eligibility		
	Below Dream	Dream	Super Dream
Intern	Not eligible	Intern+FTE, FTE	Intern+FTE, FTE
FTE	Not eligible	Intern+FTE, FTE	Intern+FTE, FTE
Intern + FTE	Not eligible	Intern+FTE, FTE	Intern+FTE, FTE

Offer (Dream category)	Eligibility		
	Below Dream	Dream	Super Dream
Intern	Not eligible	Intern+FTE, FTE	Intern+FTE, FTE
FTE	Not eligible	Not eligible	Intern + FTE, FTE
Intern + FTE	Not eligible	Not eligible	Intern + FTE, FTE

Offer (Super Dream category)	Eligibility		
	Below Dream	Dream	Super Dream
Intern	Not eligible	FTE	FTE
FTE	Not eligible	Not eligible	Not eligible
Intern + FTE	Not eligible	Not eligible	Not eligible

Important points:

A student, based on his/her eligibility as mentioned in placement policy and above table, can get offers from two companies at the most. These can be any combination of internships offers, FTE offers or internship plus FTE offers.

In case a company provides only an internship opportunity without a chance of a performance-based PPO, the offer will be considered as a below dream internship offer
